Exterior Wood Doors-Bolivian Hardwood

At JELD-WEN Windows and Doors, we pride ourselves in giving our customers quality doors from the forests of South America. While quality is important to us, we have an equal concern for the conservation of the environment. Because of this, we have taken the steps to verify that our hardwood doors are certified by the Forest Stewardship Council. The F.S.C. logo identifies wood from well managed forests independently certified in accordance with the rules of the Forest Stewardship Council.

Our Hardwood doors have the natural beauty of a tropical Mahogany and Poplar species, blended with modern design to enhance elegance and security for your home.

Doors are built 3/0 x 6/8 x 1-3/4" and our sidelites are 14" x 6/8 x 1-3/4", however they may be trimmed down to 12".

For your convenience all doors and sidelites are individually carton packaged.
