Exterior Wood -Poplar

Exterior Wood Doors-BolivianHardwood

At JELD-WEN Windows and Doors, we pride ourselves in giving our customers the best quality doors from the forests of South America. While we are concerned with the quality of the wood, we have an equal concern for the conservation of the environment. Because of this we have taken the steps to verify that our hardwood doors are FSC certified. The FSC logo identifies wood from well managed forests independently certified in accordance with the rules of the Forest Stewardship Council.

Our Hardwood doors have the natural beauty of a tropical Mahogany and Poplar species, blended with modern design to enhance elegance and security for your home.

Our Hardwood doors are 3/0 x 6/8 x 1-3/4" and our sidelites are 14" x 6/8 x 1-3/4", however they may be trimmed down to 12".

For your convenience all doors and sidelites are individually carton packaged.
